Dear Nick and John:

Per my recent telecon with Nick, it seemed advantageous to file a Chapter II Demand, with the EPO being arranged as the Examining Authority.

Ms. Robin Teskin of Burns, Doane, Swecker & Mathis reports that it may be necessary for Reddie & Grose to file the Demand at the EPO if the EPO is to be the forum for examination.

Can you proceed to file the Demand at the EPO? The Demand is due January 1, 1995, which in the U.S. is a holiday.

For your information, we enclose a copy of a U.S.-styled Demand which Burns, Doane is prepared to file at the U.S. Patent & Trademark Office, if you are unable to proceed.

Thank you for your immediate attention to this matter.

Very truly yours,

Charles E B Glenn
